

Team Photography

Our aim is to provide high quality " on stage " photography with minimum fuss, at reasonable prices and in the most efficient manner for all concerned

* **Print Prices**

13x18cm - \$ **12** each

20x30cm - \$ **16** each

There is no obligation to buy, no minimum order requirement and no fee for attending

* **How We Sell**

All photographs taken at the concert or festival are posted on our password secured web site and prints can be purchased via our web on line service

Prints ordered will be posted to the home address within 2 weeks of being ordered

We also supply the event organisers with order forms and ask that these be handed out to parents at least two weeks prior to the event

Parents can wait to see the images on our web site or, if it is choir or band named in the program and listed on our order form, they can decide what they want to order, place the order form with payment in an envelope and hand the envelope to the photographer at the concert or festival

Prints will be delivered to the school or posted direct to home addresses within two weeks of the end of the festival or within two weeks of the order being received

* **What We Give the Event Organisers**

We pay the organisers \$1.00 for every print sold plus we supply them with a 20x30cm copy of any band or choir they wish to have.

We also provide a hi resolution file of each band or choir for them to use on its web site or other advertising purposes
