

Presentation and Debutante Ball Photography

Our aim is to provide high quality portraits with minimum fuss, at reasonable prices and in the most efficient manner for all concerned. We do all the selling and follow-up, parents can see the prints in the comfort of their own home, there are no limits on photos taken and the school or Presentation Ball organisers receive a guaranteed commission. In 2010 John Travers photographed 1386 couples from 51 Deb sets and we are confident you will be more than happy with the results we provide for your forthcoming Presentation Ball.

*** Number of Photographs Taken**

We will supply five shots of the Deb by herself, three shots of the partner by himself, three shots of the couple together, the curtsy, friends within the Deb set and family photographs after the Presentation is completed.

A whole of group photo is taken prior to guests arriving for the function

*** No Hassle Selling**

Each Deb and her partner will be given a set of 13x19cm fully colour corrected prints to take home for up to eight days to show family and friends. They simply select the prints they want to keep, decide on any reprints required, fill out the enclosed order form then send it all back including the unwanted prints in the envelope provided.

We ask the organisers for a list of the names, address and phone numbers of each deb and her partner so we can follow up those who do not send back their orders by the due date
